

CHAT Lunch Program

Lunch will be handled a little differently for CHAT and eCHAT, so please see the corresponding sections that apply to your family.

CHAT Students

Options:

1. Students may bring a lunch from home. Keep in mind that there isn't a microwave or refrigerator available for student use.
2. CHAT students are welcome to order food from the cafe during their lunch time. It is recommended that students order as soon as they can to give them enough time to eat. If it is easier for you, you may put money on a card (to be bought in the cafe) and then students don't need carry cash every week. You can see the current menu at http://www.grace.church/sites/default/files/2016/PDF/06-Jun/cafe_lunch_menu_-_fall_2016.pdf.

eCHAT Students:

eCHAT students will be required to eat with 'the group' of other students IF their parent is not there to eat with them. They will be supervised by 2 adults during lunch. If you are at Grace with them, they may stay with you until their next class.

Options:

1. Students may bring a lunch from home. Keep in mind that there isn't a microwave or refrigerator available for student use.
2. Students are welcome to order from the Cafe. There is a children's menu offering meals costing \$4, or they can order off the regular menu. (See the current menu at http://www.grace.church/sites/default/files/2016/PDF/06-Jun/cafe_lunch_menu_-_fall_2016.pdf). We strongly suggest that if the student is purchasing their own meal, that they purchase a reloadable card from the Grace Cafe to speed up the payment process. Write your student's name on the card with a permanent marker.

Grace Cafe Hours:

8:30-1:00, Wed. and Thurs.
