

# eCHAT and CHAT Volunteers

We appreciate your help as we work together to provide a safe and effective environment for our kids to learn in! We are asking that each family sign up for one volunteer slot per semester.

## **Description of Volunteer Positions:**

---

### Student Handbook Assembler

This mom will need to connect with Laura to get the pages. She will collate, staple, fold, and put name labels on the student handbooks before CHAT starts. This can be done any time during the week before CHAT starts and at her own home.

### Opening Day Greeter - Grace Entrance Wednesday and Thursday (8:45 a.m. to 10:45 a.m.)

This mom will need to greet students and parents in the first floor lobby area, direct them upstairs, and field questions. This position needs to be filled with a returning CHAT mom, not someone from a new CHAT family.

### Morning Monitor - Grace Cafe Wednesday and Thursday (9:00 a.m. to noon)

This mom will mostly need to hang out in the coffee shop downstairs. Since high school students will be allowed to come downstairs to purchase from the vending machines and the coffee shop, we need a mom to keep an eye on this area and encourage students to head back upstairs after they have made their purchases. We also ask that this mom take occasional walks through the halls and the commons area outside the worship center for wandering students. You are welcome to have your younger kids with you. Please pick up your name tag at the Café counter. (Note: For the first couple of weeks of the year there won't be IDs to check, so there may be some administrative work we would ask you to do while you sit at the table.)

### Morning Monitor - Classroom Wing Doors Wednesday and Thursday (9:00 a.m. to noon)

This mom will sit upstairs outside the double doors that lead into our classroom wing. Your responsibility is to be an extra set of eyes monitoring students and adults as they come and go. You will have a picture roster of CHAT and eCHAT students to refer to as needed. You are welcome to have your other kids with you and do school with them or other quiet activities during this time if you'd like.
